OMBDeterminationFuture_07-15-2016.xlsx

Here's the file. These are planned signature rules with a future signature milestone from 7/1/16 to 2/28/2017 with actual OMB determination dates blank. I included the column that shows if we have submitted the rule for a determination. They are organized as AAship/Significance request(Non-Sig/Sig.)/Planned Signature date.
